Child Tax Credit Benefits in 2013 Sample Refund Amounts at Various Income Levels

This chart is not a tax table. It is presented to give you a rough idea of the amount of the "Additional" Child Tax Credit refund at various income levels. These are the refund amounts that single workers will receive after all their income tax, if any, is eliminated by the basic Child Tax Credit. *Note: Married workers and families with larger incomes or more children than shown here may also receive refunds.*
