

Building the Highly Effective Organization – The Series

CRITICAL NATURE OF CULTURE

Understanding the Critical Nature of Culture – Series #4 of 8

What defines your organization's core values?

What benefits can you gain if your organization's values match the vision and mission of the company?

Listen carefully as [Austin Tenette](#) develops the fourth of his 8-part series helping you build highly effective organizations. In this series you will learn how to implement core values in management that will boost your mission and vision statements.

- Does who you promote into management matter?
- How can you incorporate your core values so that all in your organization understand them?
- When does being diverse, inclusive, and dedicated to your mission and vision bring harmony to your team?
