

CAREER Planning

Career Building: A Work in Progress

Do you dream of something more than your current job, but don't know where to start?

Have you ever wanted to expose your child to greater career choices?

If your answer is yes, there is help available. Workforce Solutions is stepping up efforts to encourage in-depth, career planning among Gulf Coast area residents finding their way in today's workforce.

Through Workforce Solutions, you can:

Track employment trends by reading our monthly "Focus On" profiles, which detail the latest statistics and salaries of the region's most in-demand careers

Subscribe to BlogForce, a blog allowing online visitors to read timely articles from various career veterans;

Attend job search seminars that cover all aspects of the job hunt from attire and attitude to interviews and follow-ups

Or, visit CareerCube.org, a Web portal providing visitors quick links to the latest information on four of the Texas Gulf Coast region's biggest industries — health care, energy, construction and aerospace.

Workforce Solutions is the region's local public workforce system. Operating multiple community-based career offices in 13 Texas Gulf Coast counties, we provide a wealth of useful information about occupations and industries that are growing and in high demand in the region. We can tell you where the good jobs can be found and provide access to resources to help you get into those jobs and move ahead in your career.

Simply stated, Workforce Solutions has plenty of job search and career planning tools to ensure you can find where the good jobs are located, what skills and knowledge it takes to get into those jobs, and how you can further your career through job training and education.

Workforce Solutions is an equal opportunity employer/ program. Auxiliary aids and services are available upon request to individuals with disabilities.
