Building the Highly Effective Organization – The Series

CRITICAL NATURE OF CULTURE

Critical Nature of Culture – Series #3 of 8

Does your organizations mission and vision statement project your intended outcome for the future of your business? How can you ensure that your team is playing on the same side in achieving your goals for success? Listen carefully as [Austin Tenette](#) develops the 3rd of his 8-part series helping you build highly effective organizations. In this series you will learn how important it is to ensure your mission and vison statement align to effectively lead your organization to your desired goals and outcomes.

- What are your core values?

- How can you become a key factor in outlining your organizations vision?

- Does your team embrace and apply new concepts easily?
