

# THE ART OF EFFECTIVE COMMUNICATION

## Introducing the Concept of Connected Communication:

Have you developed your art in communicating effectively with your organization? Why is there so much importance placed on communication and does it really matter how you communicate? [Kimberly Distefano](#) will explain the art behind effective communication and help you better understand how important it is to bridge the concepts of connected communication.

- What is Connected Communication?
- Understand the intersection between Cognitive Diversity, Conflict Resolution and Connected Communication.
- Gain insight into potential implications individually and organizationally when you communicate to understand versus respond.
