### Notes

1. Criteria used to identify the targeted industries:

Industries with a projected employment growth of at least 2,120 new jobs from 2016-2026

Industries with projected employment growth rate greater the average growth rate for all industries in the region for the period 2016 to 2026. (17.4%)

Industries with an average weekly wage of at least \$1,031 per week.

2. Absolute changes do not represent total demand for labor because they do not reflect demand due to replacements, attrition, turnover, etc.

3. Employment and average weekly wage information is from the first quarter 2017 Quarterly Census of Employment and Wages.
