

FEDERAL FIDELITY BONDING FOR TEXAS EMPLOYERS

Workforce Solutions offers federal fidelity bonding for ex-offender job candidates. Fidelity bonds provide an indemnification of employers for the loss of money or property caused by a one-time act of dishonesty by employees who are not bondable through normal bonding mechanisms.

Fidelity Bonding Offers:

- Insurance to protect employers against potential employee dishonesty
- Coverage that includes any type of stealing, theft, forgery, larceny and embezzlement
- Indemnification for a single, specific employer-employee relationship
- A six-month coverage period. After the initial six months, if no claim is made against the bond, the employee is bondable through the regular commercial system
- No cost to the employer, with no deductible and minimal paperwork
- Bond amount of \$5,000 with some employees bonded at higher levels if eligible

For More Information:

Contact Workforce Solutions at 713-688-6890. Tell us who you want to hire and the date you plan to hire them. We'll do the rest. We'll send you a confirmation letter and form. The insurance company will mail the bond to you soon afterward.

Note: The bond offer applies to the job candidate you plan to hire in a permanent full-time job, scheduled to work 30 hours or more per week - in a traditional "employer-employee" relationship (not contract or self-employment).
