

Locating Fast-Track Courses in Construction Trades

Workforce Solutions offers many fast-track courses in basic construction. The courses provide short-term, fast paced opportunities that could help launch a new career in the construction industry for customers. Local community colleges are currently offering introductory courses in dry-walling, plumbing, welding and HVAC installation at multiple campus locations throughout the Gulf Coast region.

Note: The fast-track courses are available to all Workforce Solutions customers eligible for financial aid.

Locate a list of fast-track courses on the Eligible Training Provider System (ETPS) by doing a program search using the “HH” indicator. This will provide a list of all approved fast-track courses by provider.

1. Go to: [Eligible Training Provider System](#)
2. Select search options
 - a) Location – select Local Workforce Development Area and then select Gulf Coast (28)
 - b) Program Name – enter HH into the Program Name field
3. Click Search

The results can be sorted by Provider, Program Name, Hours, Cost, Area, or Pell Eligibility. (see sample below)

Provider	Area of Study	Program Name	Hours (Contact/Credit)	Cost	Pell Eligible	Area	Expiration Date
Alvin Community College 3110 Mustang Road Alvin, TX 77511-4898	460502	HH-NCCER Core	40/0	\$476.00	No	Gulf Coast	Dec 20, 2018
Alvin Community College 3110 Mustang Road Alvin, TX 77511-4898	460502	HH-Pipe Fitting-160 Hour Program	160/0	\$2,100.00	No	Gulf Coast	Feb 14, 2019
