

# Adult Education & Literacy High School Equivalency Voucher Program

## About the Program

The Gulf Coast Workforce Board provides High School Equivalency (HSE) vouchers for customers seeking to obtain a High School Equivalency certificate.

Currently, there is only one vendor of the HSE exam approved by the State Board of Education to operate in Texas: GED Testing Service, which administers the GED exam. Test takers who pass this exam are issued a State of Texas Certificate of High School Equivalency (TxCHSE).

The HSE exam, or the complete battery of the exam, comprises individual tests. The GED exam contains four tests: mathematics, science, social studies, and language arts.
